JOURNAL OF THE ASIAN ELEPHANT SPECIALIST GROUP

GAJAH is the Journal of the Asian Elephant Specialist Group (AESG) of the IUCN- Species Survival Commission (SSC). It is published twice a year, with financial assistance provided by the WWF-US. The articles published in GAJAH do not necessarily reflect the views or opinions of the AESG, SSC, IUCN, WWF, the Editorial Board or the Editor.

GAJAH aims to promote the conservation and management of the Asian Elephant both in the wild and in captivity. It also provides a forum for communication among the members of the AESG. GAJAH welcomes original manuscripts (not published elsewhere) dealing with the conservation and management of the Asian elephant. All original manuscripts will be reviewed by referees. Contributions should be typed, double spaced on one side of A4 paper, or submitted on disks (Word Perfect 6.0).
